

WARRANTIES

DENTSPLY Trubyte® warrants the denture tooth brands indicated below, against excessive wear, breakage, discoloration or crazing, for the timeframe indicated below for each tooth line, from the initial placement of the denture by a licensed dental practitioner. If the denture teeth do not perform as warranted, DENTSPLY will provide replacement teeth free, provided the denture was used only for its intended purpose without modification or abuse, and on condition that:

- The prosthesis is a complete upper or lower denture.
- All the teeth in the denture are from the same brand of Trubyte denture teeth.
- The denture was registered with DENTSPLY within 30 days of initial insertion of the denture by a licensed practitioner.
- This warranty applies only to the Trubyte tooth brands indicated below and does not cover the laboratory or dentist's fees for replacing the teeth.
- This warranty does not extend to the denture base which supports the teeth, nor does it cover the laboratory service fee or the dentist's fee.
