

# Atlantis<sup>®</sup> abutments warranty

## Atlantis<sup>®</sup> original

Dentsply Sirona offers dental professionals Atlantis patient-specific prosthetic solutions for all major implant systems<sup>1</sup>.

As a part of the digital implant solutions offering from Dentsply Sirona, Atlantis patient-specific abutments support cement-, (single-tooth) screw- and friction-retained restorations, providing an excellent foundation for optimal function and esthetics.

Atlantis abutments are individually designed from the final tooth shape. The patented Virtual Atlantis Design (VAD) software makes it possible to design each abutment in relation to the edentulous space and the surrounding teeth for high precision and a more natural esthetic result. Each abutment has a unique anatomical shape and emergence profile that nourishes soft tissue management and provides excellent support and retention of the final restoration.

Naturally, the abutment solution that offers the greatest freedom is also backed by a comprehensive warranty. If an implant supplier does not honor its warranty due to your use of Atlantis abutments, Dentsply Sirona will cover both the abutment, crown and the implant.

# Warranty terms and conditions

These warranty Terms & Conditions ("T&C") covers clinical components and instruments that are part of Atlantis abutments product line i.e. abutments, abutment screws, crowns and clinical instruments ("Products"), manufactured distributed by Dentsply Sirona Implants or any affiliate within the Dentsply Sirona Group ("Dentsply Sirona").

The warranty outlined in these T&C is exclusively for the benefit of eligible treating clinicians ("Clinician") and is not for the benefit of any other person or entity, including any patients, laboratories and other intermediate suppliers.

## 1. WARRANTY PERIODS

The warranty for the Products is granted for the following periods, subject to the limitations and exceptions of these T&C:

- lifetime warranty for Products manufactured in titanium, including gold-shaded titanium, excluding any Product manufactured in zirconia or clinical instruments;
- five (5) years from the date of shipment from Dentsply Sirona for Products manufactured in zirconia.
- three (3) years from the date of shipment from Dentsply Sirona for clinical instruments, excluding any single-use instruments.
- One (1) year from the date of shipment from Dentsply Sirona for products manufactured in PMMA.

## 2. SCOPE OF WARRANTY

Subject to the limitations and exceptions described in these T&C Dentsply Sirona will provide the following benefits:

### QUALITY BENEFITS

If the Product has defects in materials or workmanship, that is if the Product does not meet the Dentsply Sirona quality standards or if the Product does not match the special instructions communicated prior to the design of the Product in question via the online order system, then Dentsply Sirona will remake the Product, at no additional charge.

### SURGICAL BENEFITS

Dentsply Sirona recognizes that implants sometimes fail after the Clinician has taken the impression. Dentsply Sirona will not accept any responsibility for a failed implant, but does offer the following benefits if;

- the implant fails after the Product is placed on the implant together with a restoration, and taken into function, then the company who provided the failed implant should be the primary resource for the Clinician's implant-related claims. However, if the implant company refuses to honor their warranty for the implant (exclusively due to the use of the Products), and the Clinician both meets the "Eligibility" criteria and follows the "Claim Procedure" below, then Dentsply Sirona will reimburse the Clinician for the actual and verifiable purchase cost

of a replacement implant, and will remake the Product, at no additional charge;

- the implant fails before the Product has been placed on the implant (unless otherwise explicitly covered under the separate Dentsply Sirona warranty – terms and conditions), then Dentsply Sirona will in no case be responsible for replacing the implant.

The benefits set out above constitute Dentsply Sirona's sole obligation, and the Clinician's sole remedies, with respect to the Products and the subject matter of these T&C.

## 3. ELIGIBILITY AND CLAIM PROCEDURE

To receive benefits under these T&C, the Clinician must comply with all of the following:

- Warranty claims must, to remain eligible, be reported to Dentsply Sirona within thirty (30) days from the date on which the claimed defect was discovered. Reporting shall fully comply with the procedure set out herein. Clinician shall contact the Dentsply Sirona representative or Dentsply Sirona customer service to request a complaint record form and receive instructions for Product return; and
- The completed complaint record form, documenting the cause of the claimed failure, must be returned to Dentsply Sirona accompanied by the Product in question within the time stated above. Any Product must be decontaminated prior to return to Dentsply Sirona; and
- Clinicians submitting a complaint record form for surgical benefits, must provide the following items:
  - documentation of the case and demonstration that implants were indicated and that no contra-indicated conditions existed for that particular patient; and
  - documentation that the implant company refused to honor their warranty (exclusively due to the use of the Products), and receipt/ invoice for implants for reimbursement; and
- Clinician making a claim under these T&C must be current in all amounts owed to Dentsply Sirona at the time when the complaint record form is submitted; and
- All procedures using Products (and implants) – before, during and after implantation – must be performed in accordance with Dentsply Sirona and (as applicable) other implant company's protocols, guidelines and instructions, as well as generally accepted dental practices.

Transport costs and transport risk shall be borne by the Clinician. The cost of return shipment shall be borne by Dentsply Sirona in cases covered by the warranty under these T&C.

Independent from warranty claims, complaints should be reported as soon as possible to comply with regulatory requirements.

## 4. GENERAL LIMITATIONS OF THE WARRANTY

Except for the warranty specified in these T&C, neither Dentsply Sirona nor any representatives or other third parties which manufacture or distribute the Products, make any representation, warranty, covenant or other undertaking, expressed or implied, written or oral, with respect to the Products, including (without limitation) any implied warranties of merchantability, durability or fitness for a particular use or purpose.

- the failure is caused by implants placed in patients with accepted contra-indicated conditions to successful implant integration, including but not limited to diseases related to alcoholism, uncontrolled diabetes, and habitual drug dependency; or
- the failure is due to normal wear and tear; or
- the Products have been modified, grinded, deburred or otherwise retouched.

For the avoidance of doubt, these T&C, and the benefits and remedies set out herein, shall be exhaustive with respect to the Products and the subject matter of these T&C, and shall exclude any other rights, benefits and/ or remedies, such as laboratory and clinical treatment related fees.

## 6. MODIFICATION OR WITHDRAWAL OF THE WARRANTY

Dentsply Sirona reserves the right to modify or withdraw these T&C at any time without notice. Any such modification or withdrawal will not affect Products already installed in patient, and fully paid by the Clinician to Dentsply Sirona, prior to the date thereof.
