

Primescan 2 Live Webinar

Course Description

This online training provides a practical introduction to Primescan 2, its core features, recommended scanning techniques, and integration into everyday clinical workflows. Participants will have the opportunity to interact with the trainer in real time, ask questions, and clarify key steps in operating Primescan 2.

Speaker*

Dr. Andrés Ammann

Global Clinical Education Manager,
Connected Technology Solutions –
Dentsply Sirona

Dr. Andrés Ammann earned his Dentistry and Prosthodontics degrees from Valparaíso University in Chile and holds an MBA from the Rotterdam School of Management. In his current role as Global Clinical Education Manager at Dentsply Sirona, he focuses on developing educational programs that support clinicians in confidently adopting new technologies and integrating them into daily practice—ultimately aiming to enhance patient care.

*Speaker is employed by Dentsply Sirona.
