Dentsply Sirona

Hello peace-of-mind

Get 24 months additional handpiece warranty*

SiroForce device registration (DAC Universal (since 05/2019) & handpieces) by dealer or end customer.
* In addition to the statutory warranty rights, which remain unaffected.

Benefit from an additional 24-month warranty on new handpiece purchases[1, 4]

Own a DAC Universal or planning to purchase one?
Get more value from your investment!

When you buy your handpieces together with a new DAC Universal – or if you already have one – you benefit from an extended warranty on selected handpieces.[2]

36 + 24 =

60

months[1]

T1 Energo & Electrics[3]

24 + 24 =

48

months[1]

T2 Energo & Electrics[3]

24 + 24 =

48

months[1]

T1 Turbine

T2 Turbine

[1] The 24-month manufacturer warranty applies in addition to the contractually agreed 36 or 24-month warranty period.
[2] In addition to the statutory warranty rights, which remain unaffected.
[3] Prophy, Endo, EVA and straight handpieces

Get in touch with your authorized sales partner.

[4] Prerequisites

- DAC Universal and handpieces need to be registered via the dealer.
- Only for DAC Universal purchased since 05/2019, no previous generations
- Only for newly purchased T1 & T2 Turbines and Energo handpieces (incl. duo and multi packs)
- Warranty starts upon installation at the end customer.
