

Lucitone Digital Print Denture™ System Extremely Innovative. Anything but Experimental.

Get the most from your technology and **take the next step** in digitizing dentures. Print partial dentures, too. Delight doctors and patients with printed partial dentures for better fit, better materials, and simplified workflows. It's a proven approach, **built on 100+ years of materials science and in-market success.**

Better Fit

- Accuracy of digitized impressions
- Micron printed precision
- Fewer adjustments
- More comfortable fit
- Lighter than Cobalt Chrome

Better Materials

- BAM! high-impact denture resin
- Stronger than traditional Lucitone
- 16 A-D* + 2 bleach tooth shades
- Leading legacy of IPN® wear resistance
- Portrait and Genios tooth libraries

Efficient Workflows

- Simplified workflows
- Faster turnaround
- Less expensive than cobalt chrome
- Comprehensive online training

Visit dentsplysirona.com to learn how to digitize your partial dentures with the Lucitone Digital Print Denture System.
