- Worldwide contest for dental students
- International case presentation
- Global publication of winning cases

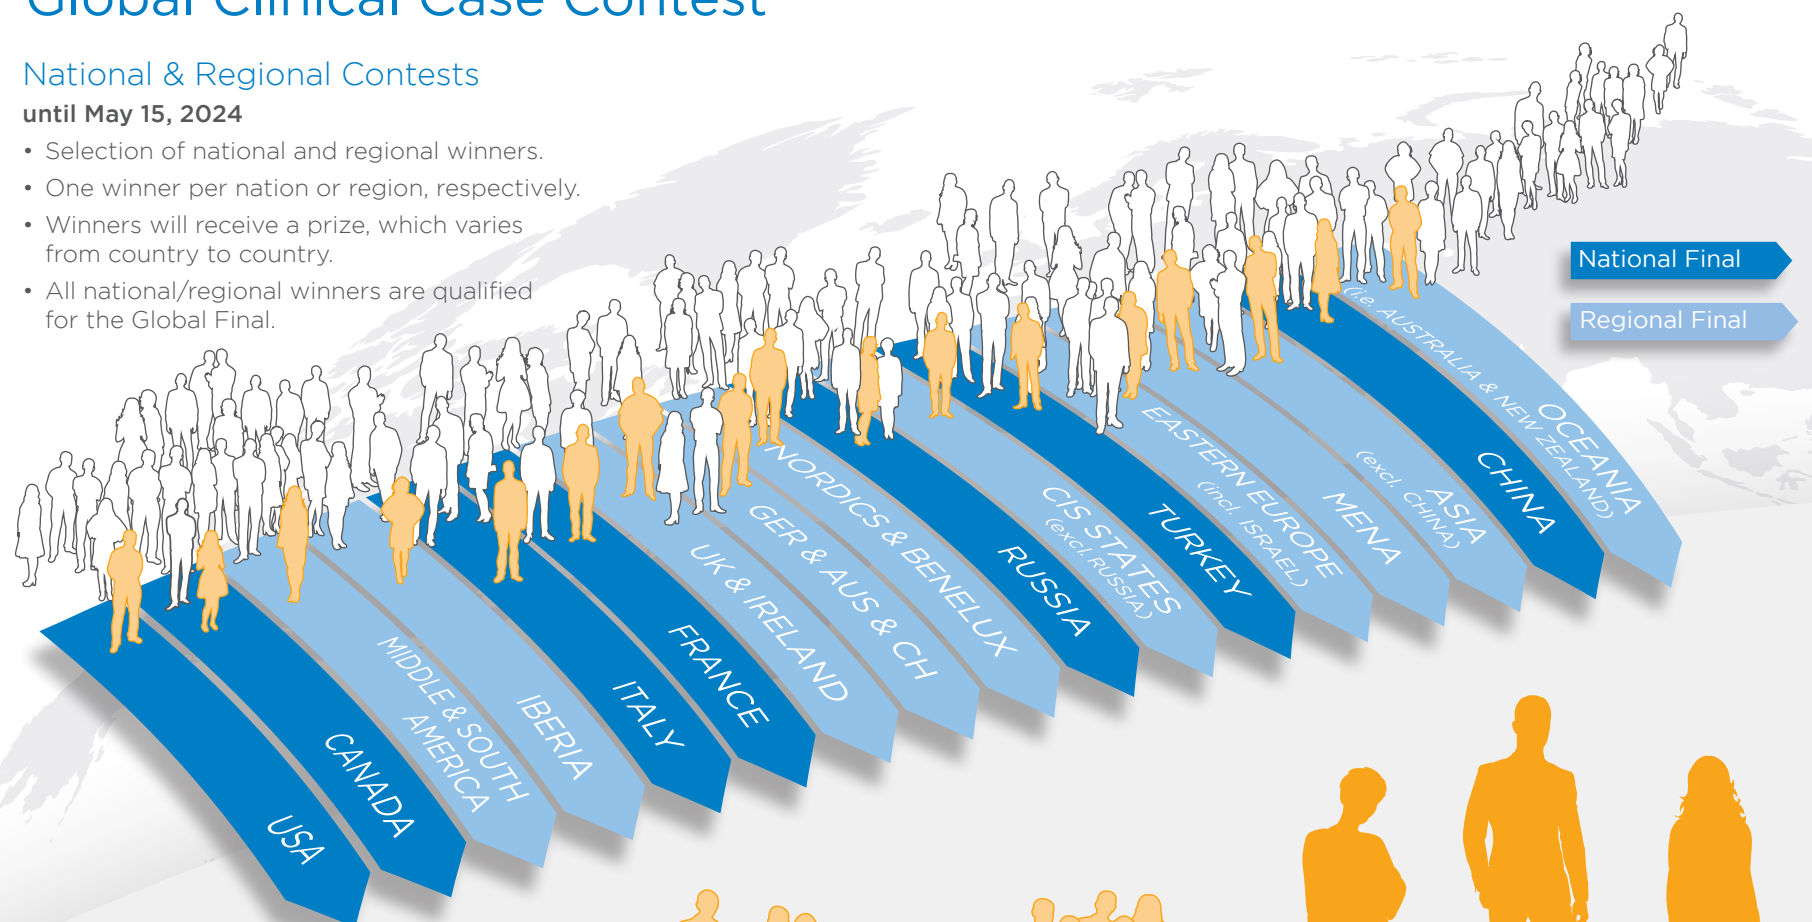

The Dentsply Sirona Global Clinical Case Contest

National & Regional Contests

until May 15, 2024

- Selection of national and regional winners.
- One winner per nation or region, respectively.
- Winners will receive a prize, which varies from country to country.
- All national/regional winners are qualified for the Global Final.

The Dentsply Sirona Global Clinical Case Contest (GCCC) features aesthetic case studies. Since its inception in 2004, more than 6,500 dental students have participated, with the 2022-2023 competition drawing close to 400 cases and 135 dental schools.

Dental undergraduate and graduate students, with less than 2 years of clinical practice, are invited to participate (repeated participation excluded) by documenting a patient case with photographs and text.

A university should designate a tutor for its participants, and each university can submit up to three entries through its local Dentsply Sirona country organization.

A tutor can range from a dental faculty member to a post-graduate student. Their purpose will be to oversee the student's clinical case.

Clinical Cases and Materials Used

Clinical anterior or posterior restorations are placed using the entire Dentsply Sirona restorative product line. The case must be photo documented and accompanied by text, and submitted in a standardized format provided by Dentsply Sirona.

All Dentsply Sirona products, required for fabricating cases, are available free of charge to participants.

Direct adhesive restorations as well as CEREC Tessera™ restorations created chairside using the CAD/CAM workflow are eligible for entering the contest.

For further information, or to register for the Dentsply Sirona GCCC please contact your local Dentsply Sirona organization.

Global Final in Constance/Germany*

on July 2, 2024

- The national/regional winners will present their cases to a top-class international panel of judges at a global judging event.
- The top three contestants will be presented with an award.
- Winners with their tutors invited.

Poster Exhibition - Public Vote*

September 13-14, 2024 in Geneva/Switzerland

- The top three cases will be presented at the Dentsply Sirona booth during a major dental congress with the professional audience voting to select the most outstanding case.
- Global winners are invited to attend the congress.

* subject to change, depending on global health condition
