

Agenda

Friday, 13. March 2026

NOTE: All courses are held in German or, in a few cases, are simultaneously translated into German.

Time	Implantology	Endodontics, direct and indirect restorations	Aligner treatment	Digitale impressions, CAD/CAM, X-ray, 3D printing	Lab	Overall topics	
8:30	Admission / Registration						
9:15	<p>Immediate implantation for severe hard and soft tissue defects <i>Prof. Dr. Robert Nölken, M.Sc.</i></p> <p>1 CE credit</p>	<p>Endo emergency – and then? From digital diagnosis to initial treatment <i>Prof. Dr. David Sonntag</i></p> <p>1 CE credit lecture + 1 CE-Pkt LSA</p>	<p>WORKSHOP Systematic, efficient workflows – IPR, attachments & photo art <i>Dr. Alina Lazar Dr. Franziska Tole</i></p> <p>2 CE credit for lecture 1 CE credit hands-on training 1 CE credit for LSA</p>	<p>WORKSHOP Scan...and then? – The versatility of digital processes <i>Dr. Ariane Schmidt Dr. Verena Freier</i></p> <p>2 CE credit for lecture 1 CE credit hands-on training 1 CE credit for LSA</p>	<p>PrimeLab Network meeting – for members only</p>	<p>Cloud diagnostics – speed, precision and clarity in practice <i>Claudia Wittig, Dentsply Sirona CAD/CAM Specialist, DT Garwin E. Hoffer, Dentsply Sirona Imaging Specialist</i></p>	
10:00	Product exhibition / Networking / Coffee break						
10:30	<p>Digital workflows in implantology for planning, surgery, and prosthetics – the possibilities in everyday practice <i>Dr. Mischa Krebs</i></p> <p>1 CE credit</p>	<p>Upgrading smiles – composite finish after aligner therapy <i>Dr. Britta Hahn</i></p> <p>1 CE credit lecture + 1 CE credit LSA</p>			<p>PrimeLab Network meeting – for members only</p>	<p>Discover new opportunities with CEREC <i>Norman Berg, Dentsply Sirona CAD/CAM Specialist, DT</i></p>	
11:15	Product exhibition / Networking / Coffee break						
11:45	<p>Planning the future – tracking success: Digital tools in practice <i>Prof. Dr. Christian Mertens</i></p> <p>1 CE credit</p>	<p>Management of alveolar ridge defects after extraction: solutions adapted to the defect morphology <i>Prof. Dr. Anton Friedmann</i></p> <p>1 CE credit</p>	<p>Sealer and reciprocating instrumentation – an insight into science & practice <i>Prof. Dr. Gustavo De Deus</i></p> <p>Lecture with simultaneous translation 1 CE credit</p>	<p>Improved success in practice with reduced chair time: efficiently expanding the range of treatments with aligners <i>DDS Romy Herget</i></p> <p>1 CE credit</p>	<p>Putting cloud native and wireless scanning to the test: How accurate are the new intraoral scanners? <i>Univ.-Prof. Dr. Maximiliane Schlenz-Helmke</i></p> <p>1 CE credit</p>	<p>PrimeLab Network meeting – for members only</p>	
12:30	Lunch / Product exhibition / Networking						
13:30	Plenary lectures Room New York						
	<p>Plenary lecture: Connected dentistry with the patient at the center: Connect digitally. Decide together. Treat based on a plan. <i>Dr. Mischa Krebs, PD Dr. Dan-Krister Rechenberg, Dr. Verena Freier, ZTM Felix Paul Wright</i></p> <p>Keynote Speech <i>Simon Pierro</i></p>						
15:30	Product exhibition / Networking / Coffee break						
16:00	<p>Creating a solid base, shaping the future – current concepts for augmentation <i>Prof. Dr. Dr. Keyvan Sagheb, M.Sc. M.Sc.</i></p> <p>1 CE credit</p>	<p>WORKSHOP Practice match – implant dentistry & aligners in digital interaction <i>ZA Idris Najafi ZA Jasen Amiri</i></p> <p>1 CE credit for lecture 1 CE credit hands-on training 1 CE credit for LSA</p>	<p>Endo or not? When it still makes sense to preserve vitality <i>PD Dr. Dan-Krister Rechenberg</i></p> <p>1 CE credit lecture + 1 CE credit LSA</p>	<p>Biomechanics in the use of Orthodontic Aligners <i>Dr. Teresa Cobo</i></p> <p>Lecture with simultaneous translation 1 CE-Pkt</p>	<p>Work efficiently, treat smartly – the cloud (native scanner) as key technology <i>Dr. Ariane Schmidt</i></p> <p>1 CE-Pkt</p>	<p>3D printing in the digital lab: innovation meets service culture <i>DT Robert Absmanner</i></p> <p>1 CE-Pkt</p>	<p>Focused instead of random: How to attract the right patients to your practice <i>DDS Sevim Canlar Özbek</i></p> <p>1 CE credit lecture + 1 CE credit LSA</p>
16:45	Product exhibition / Networking / Coffee break						
17:15	<p>Restoration concepts for the edentulous jaw: digital workflows and customised suprastructures <i>Prof. Stefan Vandeweghe</i></p> <p>Lecture with simultaneous translation 1 CE credit</p>	<p>In with efficiency, out with uncertainty – material competence in chairside workflows <i>DDS Romy Herget</i></p> <p>1 CE credit lecture + 1 CE credit LSA</p>	<p>Aligners in pre-prosthetic preparation: the key to long-lasting dentures <i>Dr. Alina Lazar</i></p> <p>1 CE credit</p>	<p>Consulting without selling – with clear, understandable information for treatment acceptance <i>Dr. Verena Freier</i></p> <p>1 CE credit</p>	<p>Rethinking all-ceramics: aesthetics, cost-efficiency, and digital networking in harmony <i>DT Inga Potoczna DT Christoph Strauch</i></p> <p>1 CE credit</p>	<p>Shaping the future of digital dentistry <i>Norman Berg, Dentsply Sirona CAD/CAM Specialist, DT Wolf-Dieter Perlit, Dentsply Sirona Global Head of DS Core Product Management</i></p>	
18:00	Product exhibition / Networking						
19:00	Networking event Room New York						

Agenda

Saturday, 14. March 2026

Zeit	Implantology	Endodontics, direct and indirect restorations	Aligner treatment	Digitale impressions, CAD/CAM, X-ray, 3D printing	Lab	Overall topics	
8:30 Admission / Registration							
9:15	<p>Scan & smile – step-by-step through implant dentistry with modern tools</p> <p><i>Dr. Christopher Schmid, M.Sc. MBA</i></p> <p>1 CE credit</p>	<p>The modern era of prosthetics: improving longterm sustainability and patient satisfaction with digital abutment solutions</p> <p><i>Dr. Mischa Krebs</i></p> <p>1 CE credit</p>	<p>100 implant challenge – from the first steps to routine</p> <p><i>Dr. Marco Hosang Dr. Rasmus Sperber, M.Sc. M.Sc. MBA MKG Thilo Damaskos Ana Pereira</i></p> <p>1 CE credit</p>	<p>Direct Composite Restorations – Practical Tips & Tricks</p> <p><i>Dr. Zsolt Döbrentey</i></p> <p>Lecture with simultaneous translation 1 CE credit</p>	<p>Case or chaos? How to keep control with clear case selection</p> <p><i>Dr. Franziska Tole</i></p> <p>1 CE credit lecture + 1 CE credit LSA</p>	<p>Success, efficiency, emotion – why every practice needs chairside procedures</p> <p><i>DDS Romy Herget</i></p> <p>1 CE credit</p>	<p>Abutment milling – transforming your own designs into patient specific abutments</p> <p><i>Bernd Niedermaier, Dentsply Sirona Group Product Manager</i></p> <p><i>Andrea Schlichting, Dentsply Sirona Specialist Digital Prosthetic Treatment Solutions</i></p>
10:00 Product exhibition / Networking / Coffee break							
10:30	<p>Fast, simple, connected: Implant dentistry and chairside prosthetics for modern patient care</p> <p><i>DDS + MDT Mario Markiefka</i></p> <p>1 CE credit</p>	<p>100 implant challenge – from the first steps to routine</p> <p><i>Dr. Marco Hosang Dr. Rasmus Sperber, M.Sc. M.Sc. MBA MKG Thilo Damaskos Ana Pereira</i></p> <p>1 CE credit</p>	<p>Clever use of CAD/CAM – avoiding mistakes, achieving excellence</p> <p><i>Dr. Dirk Ostermann</i></p> <p>1 CE credit</p>	<p>Managing Skeletal Class II and III with Aligners</p> <p><i>Dr. Teresa Cobo</i></p> <p>Lecture with simultaneous translation 1 CE credit</p>	<p>Consulting without selling – with clear, understandable information for treatment acceptance</p> <p><i>Dr. Verena Freier</i></p> <p>1 CE credit</p>	<p>Anatomical, aesthetic, adapted – customizing abutments</p> <p><i>MDT José de San José González</i></p> <p>1 CE credit</p>	<p>Cloud diagnostics – speed, precision, and clarity in practice</p> <p><i>Claudia Wittig Dentsply Sirona CAD/CAM Specialist, DT</i></p> <p><i>Garwin E. Hoffer Dentsply Sirona Imaging Specialist</i></p>
11:15 Product exhibition / Networking / Coffee break							
11:45	<p>Focusing on immediate restorations: Connecting concepts for anterior and posterior region</p> <p><i>Prof. Dr. Puria Parvini, M.Sc. M.Sc.</i></p> <p>1 CE credit</p>	<p>100 implant challenge – from the first steps to routine</p> <p><i>Dr. Marco Hosang Dr. Rasmus Sperber, M.Sc. M.Sc. MBA MKG Thilo Damaskos Ana Pereira</i></p> <p>1 CE credit</p>	<p>New trends in reciprocating endo workflows</p> <p><i>Dr. Christoph Zirkel</i></p> <p>1 CE credit lecture + 1 CE credit LSA</p>	<p>Clicking, grinding, correcting: treating CMD cases with aligners</p> <p><i>Dr. Franziska Tole</i></p> <p>1 CE credit</p>	<p>Seeing the unseen – diagnostics with a vision</p> <p><i>PD Dr. Jörg Tchorz</i></p> <p>1 CE credit lecture + 1 CE credit LSA</p>	<p>From the Tyrolean Alps to the digital world – digital business requires analog knowledge</p> <p><i>MDT Rene Gneist</i></p> <p>1 CE credit</p>	<p>Discovering new opportunities with CEREC</p> <p><i>Norman Berg Dentsply Sirona CAD/CAM Specialist, DT</i></p>
12:30 Lunch / Product exhibition / Networking							
13:30	<p>Horizontal and vertical augmentation: integration of soft tissue techniques for excellent results</p> <p><i>Dr. Thomas Hanser DMD, MSc., MSc., MOM</i></p> <p>1 CE credit</p>	<p>100 implant challenge – from the first steps to routine</p> <p><i>Dr. Marco Hosang Dr. Rasmus Sperber, M.Sc. M.Sc. MBA MKG Thilo Damaskos Ana Pereira</i></p> <p>1 CE credit</p>	<p>In with efficiency, out with uncertainty – material competence in chairside workflows</p> <p><i>DDS Romy Herget</i></p> <p>1 CE credit lecture + 1 CE credit LSA</p>	<p>Input & output – using the right communication to arrive at an individualized treatment plan</p> <p><i>Dr. Simon Käch</i></p> <p>1 CE credit</p>	<p>Lean, fast, conclusive – the rocket workflow: aligners, veneers, and 3D printing</p> <p><i>Dr. Sebastian Horvath</i></p> <p>1 CE credit</p>	<p>The digital dimension: denture manufacturing in a modern workflow</p> <p><i>MDT Felix Paul Wright</i></p> <p>1 CE credit</p>	<p>DS Core: The central platform for chairside and labside</p> <p><i>Claudia Wittig Dentsply Sirona CAD/CAM Specialist, DT</i></p>
14:15 Product exhibition / Networking / Coffee break							
14:45	<p>Added value, more impact: Why implant dentistry is now part of the basic treatment portfolio</p> <p><i>Dr. Marco Hosang</i></p> <p>1 CE credit</p>	<p>Dental trauma: react quickly, treat correctly</p> <p><i>Dr. Christoph Kaaden</i></p> <p>1 CE credit lecture + 1 CE credit LSA</p>	<p>Aligners in pre-prosthetic preparation: the key to long-lasting dentures</p> <p><i>Dr. Alina Lazar</i></p> <p>1 CE credit</p>	<p>Work efficiently, treat smartly – the cloud (native scanner) as key technology</p> <p><i>Dr. Ariane Schmidt</i></p> <p>1 CE credit</p>	<p>Putting the “flow” into “workflow”: How to successfully transfer digital data between dental lab and dental practice</p> <p><i>Marco Berndt Dentsply Sirona Implants Specialist, MDT Oliver Mütze Dentsply Sirona CAD/CAM Specialist, MDT</i></p> <p>1 CE credit lecture + 1 CE credit LSA</p>	<p>Focused instead of random: How to attract the right patients to your practice</p> <p><i>DDS Sevim Canlar Özbek</i></p> <p>1 CE credit</p>	<p>Employer Brand Dental Practice – What have we been doing wrong in dentistry for the past 30 years?</p> <p><i>Dr. Paul Hadrossek</i></p> <p>1 CE credit</p>
15:30 Product exhibition / Networking							
16:00	<p>Integrating implant dentistry consultations in your practice schedule and gaining more time for essentials</p> <p><i>Birte Christiansen</i></p> <p>1 CE credit</p>	<p>Upgrading smiles – composite finish after aligner therapy</p> <p><i>Dr. Britta Hahn</i></p> <p>1 CE credit lecture + 1 CE credit LSA</p>	<p>Billing with a bite – how to increase your practice success with aligners</p> <p><i>Dr. Franziska Tole</i></p> <p>1 CE credit lecture + 1 CE credit LSA</p>	<p>Dental practices undergoing transformation: Efficient practice processes with AI and cloud-based solutions</p> <p><i>DDS + MDT Mario Markiefka</i></p> <p>1 CE credit</p>	<p>Digital lab services, smart charging: How to achieve efficiency down to the last digit</p> <p><i>ZMV Kerstin Sahlhoff</i></p> <p>1 CE credit lecture + 1 CE credit LSA</p>	<p>Safety in 3D printing is no coincidence – the development process behind Primeprint</p> <p><i>Dr. Christoph Haufe Dentsply Sirona Product Development Engineer</i></p>	<p>Success factors in recruiting for dental practices: Best practices from attracting applicants to successful hiring</p> <p><i>Dr. Philipp Möhlmeier Alexander Bongartz</i></p> <p>1 CE credit</p>
16:45 End of event
