Conditions of sale

These Conditions of Sale (together with the documents referred to in them) apply to each order placed by you via the Site and our supply of products to you (the "Contract") to the exclusion of any other terms that you seek to impose or incorporate, or which are implied by law, trade custom, practice or course of dealing.

General

We will not be liable or responsible for any failure to perform, or delay in performance of, any of our obligations under the Contract that is caused by any act or event beyond our reasonable control.

Except as expressly stated in these Conditions of Sale, we do not give any representations, warranties or undertakings in relation to the Products. Any representation, condition or warranty which might be implied or incorporated into these Conditions of Sale by statute, common law or otherwise is excluded to the fullest extent permitted by law. In particular, we will not be responsible for ensuring that the Products are suitable for your purposes.

The Contract is governed by English law and we each irrevocably agree to submit all disputes arising out of or in connection with the Contract to the exclusive jurisdiction of the English courts.

Clinical waste

Please note: Dentsply Sirona UK is bound by the terms under EU Law (regulation (EC) No 1013/2006) that mandates that clinical waste should not be sent through post or carriers. This means that any un-sterilised returned Product that arrives at our premises cannot be shipped safely to our manufacturers for further testing or repair. You must therefore ensure that any Product return or repair has been sterilised prior to being sent to us in either:

- a sterilised bag for which the colour has changed to show evidence that the Product has been sterilised with the date of sterilisation; or
- a bag with a sterilisation certification from a competent organisation for each Product (an email confirmation of the date of sterilisation or letter will suffice).

Without this evidence, returned Products will have to be disposed of as clinical waste on arrival at our facilities and we will not be able to carry out any further investigation. Your request for an exchange or credit may therefore be rejected.

New customers and Online ordering

To open a new General Ordering Account or if you have any queries or need help setting up your account, contact us by phone on +44 (0) 1932 838343. We reserve the right to refuse to open your account if we determine that you are not a registered dental or healthcare professional in the UK.

Full payment must be received with your first order unless a credit account has been opened and an approved credit limit has been confirmed by us.

Electronic invoicing

To ensure greater efficiencies for our customers and to reduce generation of paper, we also offer electronic invoicing (e-invoicing) sent as a PDF to your nominated email account. To take advantage of this facility, and to enable you to receive electronic invoices by email, please request electronic invoicing and provide the following details to uk-creditcontrol@dentsplysirona.com:

- Your customer account number
- Company name and business postcode
- Email address for invoice recipient and order confirmation

Acceptance of your order

Our acceptance of your order takes place when we send you an email confirming our acceptance of it, at which point the Contract between you and us will come into existence.

If we are unable to supply you with the Products for any reason, we will inform you of this by email and will not process your order. In these circumstances, if you have already paid for the Products, we will refund you the full amount including any delivery costs charged as soon as possible.

Service levels – delivery and charges

Products ordered via the Site can only be delivered to addresses located within the UK or ROI (as applicable).

Online Ordering – Next day delivery (order by 3pm) UK, ROI*	FREE
Standard delivery 2-3 working days (order by 5pm) UK, ROI and Channel Islands (Standard delivery is free on all orders over £250)	£4.50 / €6
Next day delivery by 5.30pm (order by 3pm) UK, ROI*	£5.00 / €6.50
Next day delivery by 12 noon (order by 3pm) Mainland UK only (excl. Northern Ireland)	£8.00 / €9.50
Next day delivery by 9am (order by 3pm) Mainland UK only - postcode dependent - ask at time of order placement (excl. Northern Ireland)	£12.00 / €14.00

All deliveries are made by UPS or DHL on Monday to Friday between 7.00am and 5.30pm. DHL is not available for MIS Implant orders.

Due to Border Controls, Next day and timed deliveries cannot be guaranteed by our couriers.

* Location dependent - please check at the time of placing your order whether this delivery option is available.

Delivery is complete once the Products have been collected by you or the carrier collects them from us and the Products will be at your risk from that time. We may deliver the Products in instalments.

You own the Products once we have received payment in full, including of all applicable delivery charges.

Any dates quoted for delivery are approximate only, and the time for delivery is not of the essence. We will not be liable if any delay in delivery of the Products is caused by any event outside of our reasonable control, or because you failed to provide adequate delivery instructions or any other instructions that are relevant to the supply of the Products.

Prices and payment

The prices of the Products will be as quoted on the Site at the time you submit your order. We take all reasonable care to ensure that the prices of Products are correct at the time when the relevant information was entered onto the system. However, it is always possible that some of the Products on the Site may be incorrectly priced. We will normally check prices as part of our dispatch procedures so that:

- where the Products' correct price is less than the price stated on the Site, we will charge the lower amount when dispatching the Products to you; or
- if the Products' correct price is higher than the price stated on the Site, we will contact you as soon as possible to inform you of this error and will give you the option of continuing to purchase the Products at the correct price or cancelling your order. We will not process your order until we have your instructions. If we are unable to contact you using the contact details you provided during the order process, we will treat the order as cancelled and notify you in writing.

Prices for the Products may change from time to time, but changes will not affect any order you have already placed.

The price of Products excludes VAT, which may be payable by you at the applicable current rate chargeable in the UK for the time being.

The price of the Products does not include delivery charges. Our delivery charges are set out above and are as advised to you during the check-out process, before you confirm your order.

Unless you are required to pay at the time of placing your order, payment terms for all orders are 30 days from the relevant invoice date. We have the right to issue our invoice to you at any time from the date you place your order with us.

Product returns and exchange guidelines

No refunds are available for Products purchased via the Site; only credits or exchanges apply and are subject to the following terms.

Ossix, Symbios, MIS Regenerative, Lucitone or any patient specific (Customised) products are not eligible for returns (including credit or exchanges) unless there is a fault with the Product (please see below for further details).

Please note: Returned Products will only be accepted for exchange or credit if they have at least 15 months shelf-life remaining and are in a re-saleable condition.

Products can be exchanged within 12 months from the date of purchase. Products will only be exchanged on a 'like for like' basis (e.g. implant for implant, abutment for abutment), on receipt of original item(s) and in accordance with the below procedure. If products are found to be from earlier or multiple exchanges, Dentsply Sirona reserves the right to allow no further exchanges regardless of the Invoice date.

Any Products supplied by us Free of Charge are not eligible for a credit and can only be exchanged on a 'like for like' product basis. Any price difference will be applied.

Non-damaged Products must be returned within 30 days of the invoice date for a credit to be issued, and in accordance with the below procedure.

In order to return Products for an exchange or credit, we must first receive your original item(s) and the returned item(s) must be:

- Unopened and sealed (as delivered), in 'new' condition. Any price difference will be applied.
- Packed in the original delivery box or similar box to protect against damage during transit (jiffy bags are not suitable for returns and will not be accepted).
- Clearly addressed to Dentsply Sirona Implants (not via your Territory Sales Manager) at the following address:

Dentsply Sirona Implants
DENTSPLY IH Ltd
Building 3, The Heights Weybridge
Surrey KT13 0NY

- Accompanied by a copy of the invoice or delivery note and a completed [Implant Returns Advice Note](#) form or [Product Exchange form](#), (as applicable). If this paperwork is not included, the item(s) will be returned to you.

Do not affix staples, labels, or sticky tape to any area of any Product, or write on or deface the packaging. We recommend using a 'signed for/special delivery' service so that you can track your package. We are not responsible for any delivery issues with your returned item.

Any Products supplied by us Free of Charge are not eligible for a credit and can only be exchanged on a 'like for like' basis.

Please do not attempt to order a replacement item online or by phone without first returning the item using the process above. If not adhered to, we reserve the right to charge the current RRP for any replacement order you place.

Faulty Products

If any Products are damaged, defective or not as described in your order when you receive them, you must notify us within 3 days from receipt of delivery and return the Products to us for further investigation accompanied by a copy of the invoice or delivery note and a completed [Implant Returns Advice Note](#) form or [Product Exchange form](#). If this paperwork is not included, the item(s) will be returned to you. If you wish to also make a Product Complaint, please complete the [Product Complaint form](#) and return with the above.

If we determine the Products were damaged or defective prior to transferring to you, or were otherwise incorrectly delivered to you, we will replace the Products (at our cost).

We will not be liable for any damaged or defective Product if:

- the Product has been used and it is a single-use only Product;
- you make any further use of the Product after giving notice to us under the previous paragraph;
- the defect arises because you failed to follow our instructions as to the storage, commissioning, installation, use and/or maintenance of the Products or (if there are none) good trade practice regarding the same;
- you alter or repair the Products in any way;
- the defect arises as a result of fair wear and tear, wilful damage, negligence, or abnormal storage or working conditions; or
- the Products differ from their description or specification as a result of changes made to ensure they comply with applicable statutory or regulatory requirements;
- any price difference will be applied for alternative replacement products which do not belong to the same platform.

Any returned items and requests for exchanges and/or credits which are not compliant with the above Guidelines and Policies (as applicable) may result in the items being returned to you.

Changes

We reserve the right to amend the specification of the Products if required by any applicable statutory or regulatory requirement.

Liability

References to liability in this paragraph include every kind of liability arising under or in connection with the Contract including but not limited to liability in contract, tort (including negligence), misrepresentation, restitution or otherwise.

We only supply the Products for internal use by your business, and you agree not to use the Products for any resale purposes.

Nothing in these Conditions of Sale limits or excludes our liability for: death or personal injury caused by our negligence; fraud or fraudulent misrepresentation; breach of the terms implied by section 12 of the Sale of Goods Act 1979 (title and quiet possession); or any other liability that cannot be limited or excluded by law.

Subject to the above:

- under no circumstances will we be liable to you for: any loss of profits, sales, business, or revenue; loss or corruption of data, information or software; loss of business opportunity; loss of anticipated savings; loss of goodwill; or any indirect or consequential loss; and
- our total liability to you for all losses arising under or in connection with the Contract will in no circumstances exceed 100% of the price paid for the Products to which the claim relates.

Seller shall not be liable to Buyer or considered to be in default under these Terms for any failure or delay in performance caused by events beyond its reasonable control, including, but not limited to, labour force strikes, natural disasters, acts of God, war, acts of terror, national emergencies, epidemics (such as Covid-19), severe or extreme weather.

Effective May 2024

Returning a product

Following these guidelines will help us to quickly process your returned product and avoid us sending it back to you (full details can be found on the inside back page).

1

Package the product in a strong, robust box - ideally in the original delivery box (jiffy bags are not suitable for returns and may not be accepted). **Re-label the box accordingly.**

2

Ensure the product packaging is unopened as new. **Only unopened product will be accepted for exchange or credit.**

3

Ensure the product packaging is not defaced or written on. **Defaced product cannot be accepted for exchange or credit.**

4

Sterile product without at least 15 months shelf life remaining **will be returned to you.**

5

Ensure you enclose a copy of the original invoice or delivery note for us to be able to process your request.

6

If your product(s) is/are for exchange, please enclose an **'Exchange Request' form** (copies are available and can be sent to you via email upon request). Products can be exchanged within 12 months of the date of purchase.

7

Send your package using a **'signed-for upon delivery'** service.

EXCHANGE REQUEST

PLEASE ENSURE YOU ENCLOSE THIS FORM AND A COPY OF THE DELIVERY NOTE / INVOICE WITH YOUR PRODUCT(S) TO BE EXCHANGED, PACKED IN THE ORIGINAL DELIVERY BOX OR OTHER STURDY PACKAGING
